

The album cover features a central, glowing orange and red speaker with a black cone and a lightning bolt striking it. The speaker is surrounded by a dense field of autumn leaves in shades of orange, yellow, and red, set against a dark, textured purple and blue background with white speckles. At the top, the stylized 'RR' logo is white with two black stars. The band's name and the album title are written in white, bold, sans-serif fonts.
